

Project Name: Decathlon

OVERVIEW:

Online shopping has become a major disruptor in the retail industry as consumers can now search for product information and place product orders across different regions.

This project explores the latest collection of sports shoes, t-shirts, shorts and vast variety of cricket, football, gymming equipments and more for men and women sportswear or activewear is clothing including footwear worn for sport or physical exercise.

Sport-specific clothing is worn for most sports and physical exercise

HISTORY:

The decathlon is a combined event in athletics consisting of ten track and field events. The word “decathlon” was formed, in analogy to the word “pentathlon”, from Greek.

The decathlon was started back in 1976 in the beautiful city of lille, France by michel leclercq. they eventually started expanding overseas after a decade by opening their franchises in Germany, Spain, Portugal, Italy, UK, China, India and other nations
